Breast Pumps & Other Accessories

Medela Breastmilk Bottle Set- 5 oz.
Bottles fit all Medela breastpumps and are designed for safe, long-term breast milk storage. The bottles come with hygienic caps that keep the nipples clean and can also be used for cup feeding your baby.

Medela Quick Clean™ Micro-Steam Bags
Eliminate 99.9% of all harmful bacteria and germs from most breastpump parts and feeding accessories.

Medela Tender Care™ HydroGel
Ideal no-mess solution for Advanced Nipple Therapy™. Cools on contact providing instant relief for sore nipples. The pads have a contoured shape for a comfortable fit and are reusable for up to 24 hours.

Medela Pump in Style® Metro Bag
Advanced breastpump metro bag. Pump has 2-Phase Expression® technology provides smart and powerful pumping that is proven to mimic a baby's natural nursing pattern and get more milk in less time.

Medela 21mm PersonalFit™ Breast Shield
Allows mothers to choose the breastshield that is the right size for them, to ensure maximum comfort and efficiency while using a breast pump.

Medela Harmony™ Breastpump
Maximum milk flow. First researched and developed for hospital use, 2-Phase Expression® is an advanced pumping pattern that mimics a baby's natural nursing rhythm by pumping in 2 distinct modes.

Tender Care™ Lanolin - 2 oz. Tube
Uses a unique combination of natural ingredients that makes the application very easy in order to soothe and provide relief to dry, sore and tender nipples.

Breastmilk Labeling Lids
Tracking and labeling of pumped breastmilk. The twist-and-lock lids mark day of the week and a.m., p.m. or midday. It is also compatible with all Medela polypropylene breastmilk bottles.
