**Dell** Employee Purchase Program

Welcome to EPP.  
**Now what?**

**Welcome to EPP. Let's get started.**

PHNS partnering with Dell is making it easier for you! Dell has created and provided the McLaren Employees the ability to order customize and have 24x7 Technical Support all at their finger-tips. The specially created Premier Website offers a user friendly approach and provides the Dell Employee Purchase program saving MHCC Employees a 12%

discount off Dell list prices. The EPP offers award-winning technology, flexible financing options, along with great service and support.

The purpose of creating the Premier site for the MHCC Employees was to provide a one stop shop for all. This allows for flexibility, and provides each employee the option to customize their configurations to their own needs. The site also allows “on the spot” technical support function that Dell provides so well. The website also offers the ability to track orders online once they have been shipped. The advantage of providing this Premier site is cost savings, and the ability to have a customized configuration, order on their schedule, and the overall technical support 24x7.

These systems offer superior tech support including a 3 year built in warranty. Also, included on the Premier site is the Dell store full catalog that provides thousands of electronics and accessories all at the same cost savings.
