

FORD Partner Discount

The partner code for McLaren Health employees, retirees and spouses is **MCLHP**.

Please log on to www.Fordpartner.com and enter your code where prompted. Once you gain access into the site, feel free to browse through the numerous opportunities it offers.

When you are ready to generate a PIN (Personal Identification Number), click on the "PINs" tab and enter your information. The system will generate a seven digit PIN for you to take to the dealership.

Be sure to bring proof that you work for McLaren Health (W-2 or Paycheck Stub) with you to the dealership, as the dealer will need to make a copy of it for his/her records.

These exclusive savings include Ford, Lincoln, Mercury, Volvo, Jaguar, Land Rover, and Mazda.
