

# Beyond the Diagnosis: Cancer and Disability Benefits

B E N E F I T S

LAPC is a medical-legal partnership between Wayne State University Law School and Karmanos that offers free legal services to eligible Karmanos patients and legal education to the Karmanos community.

Join Wayne State's Legal Advocacy for People with Cancer Clinic (LAPC) as we discuss disability benefits that may be available to individuals with cancer, including Social Security Disability Insurance, Supplemental Security Income, and short- and long-term disability through your employer.
