## **BUSINESS PARTNERS IN HEALTH**

McLaren Greater Lansing has been blessed with the thoughtful generosity of donors who have committed themselves to the health and well-being of our health care system so that we might continue to shape the health and well-being of all area residents. And much of that support has come from businesses and industries whose leadership recognizes the value in creating solid foundations, and who share in our mission and vision.

McLaren Greater Lansing Foundation returns the honor to this distinct—and distinguished—group of donors through the Business Partners in Health giving club.

Charitable gifts from Business Partners in Health are allocated to support patient programs, services and equipment, as well as education, training and research to meet the healthcare needs of our community.

Donor membership of the Business Partners in Health giving club is renewed on an annual basis and donors benefit even beyond the long-term impact of their gifts to the Foundation.

### **BENEFITS**

- Donor members are invited to take part in V.I.P. tours of McLaren Greater Lansing, witnessing first-hand how clinical excellence and community support have built the area's "health care system of choice."
- Donor members are invited to exclusive roundtables with McLaren Greater Lansing CEO.
- Donor members are publicly recognized for their thoughtful generosity, with inclusion in the hospital donor wall, our website, and the Foundation's Annual Report.
