

MEET McLAREN

GENERAL SURGERY

YOUR EXPERTS IN GENERAL SURGERY

At McLaren Lapeer Region, we understand the importance of quality surgical care, and our team is here to provide expert and compassionate services to meet your health needs. Our surgeons have extensive experience in a wide range of procedures, from routine surgeries to more specialized treatments. Whether it's for hernia repair, gallbladder surgery, or bariatric surgery, our goal is to offer personalized care that focuses on your health and recovery.

SURGICAL SERVICES OFFERED INCLUDE

- Bariatric Surgery
- Bowel and Colon Surgery
- Breast Surgery
- Gallbladder/Gallstone Surgery
- Hernia Repair
- Skin and Soft Tissue Repair

Our team takes a collaborative approach to surgery, utilizing advanced technologies like robotic-assisted surgery for minimally invasive procedures, which leads to faster recovery, less pain, and quicker return to daily activities.
