

# Lung Nodule Inpatient Consult Pathway Now in Cerner

## For All Providers, Advanced Practice Providers, and Residents

To help provide the most appropriate care and to prevent delay of care to our patients, a new Consult to Lung Nodule Program order has been created for patients at McLaren Flint. Please ensure that all fields are completed so that the order can be routed correctly. Please review below for assistance with ordering.

### Search for Consult to Lung Nodule Program

The screenshot shows the Cerner EHR interface. In the top navigation bar, the 'Search' tab is selected. A search bar contains the text 'consult to lung'. Below the search bar, a dropdown menu shows 'Consult to Lung Nodule Program' as the selected result. A red circle with the number '1' is placed over the search bar, and a red circle with the number '2' is placed over the dropdown menu. On the left side of the screen, there are sections for 'Diagnoses & Problems' and 'Problems'. At the bottom right of the screen, there is a red circle with the number '3' and a 'Done' button.

### Complete the order Details and Sign

The screenshot shows the 'Details' section for the 'Consult to Lung Nodule Program' order. The 'Details' tab is selected. The 'Requested Start Date/Time' is set to 06/25/2025 10:08 EDT. The 'Priority' is set to 'Urgent'. The 'Medical service to consult' is set to 'Lung Nodule Program'. The 'Special instructions' field is empty. At the bottom right of the screen, there is a red circle with the number '3' and a 'Sign' button.
